

PolyTack® Frame Kit

NON-SKID • SLIM PROFILE • EASY TO REFILL

Leave the dirt at the door!

Our PolyTack® Frame Kit is perfect for applications where frequent lifting of the mat for cleaning is required and/or for use in areas where the mat is unable to adhere to the floor. Slim profile, overall height is 3/16".

- Mats are made from incinerable polyethylene film, removes foot borne particulate before entering the cleanroom
- Seamless one-piece construction
- Numbered tabs provide easy identification and sheet separation
- Easy mobility for carts and wheeled machinery
- Polyethylene film contains a special anti-microbial agent providing long-lasting protection against bacterial growth
- Frames are made of white high impact polystyrene with a non-skid rubber backing.

Mat Colors: White, Blue

Pack: one mat/one frame
